Fax: 781-863-9944

**Brookhaven at Lexington**

**COVID 19 Update 10 – April 16, 2020**

## **STAY ON CAMPUS**

We are continuing to follow the recommendations of the CDC and the Massachusetts Department of Public Health in our fight against COVID -19. We are all experiencing trying and very isolating times. Brookhaven staff are working hard to keep Residents as safe as possible but we cannot do it alone. We need the help of every Resident. You can do something to defeat this virus, but it involves sacrifice and isolation for the coming weeks while this virus peaks in Massachusetts.

The number of cases at Brookhaven now stands at four. We know that in at least two of these instances the Residents left the property for simple things like shopping. What that means is that our Residents are getting infected in some instances by asymptomatic carriers and they are unaware of their exposure and their ability to infect others.

We are all in this together. You do not live alone at Brookhaven. You are part of a community and your decisions affect all who live and work here. Please take seriously the following guidelines of staying on Brookhaven property, washing your hands, and social distancing of at least 6 feet. Masks/face coverings should be worn at all times when out of your apartment. Visits to the common areas should be curtailed as much as possible. We cannot stress enough how seriously we need everyone to take these guidelines. The health of the community, its Residents and staff, rest in the decisions you make!

Linda Robillard, NP asks that if you have a medical procedure scheduled outside the building to please contact her with the details.

Thank you for your cooperation as we continue to fight this pandemic.

  
Jim Freehling  
President/CEO
