Fax: 781-863-9944

## **Brookhaven at Lexington COVID-19 Update 21 – June 22, 2020**

We are pleased to report that Brookhaven has no cases of COVID-19 as both Residents have tested Negative and are fully recovered. Thank you to all of our Residents and Staff for their efforts. This only happened as we all worked together to practice social distancing, sanitize our hands, and wear our masks. While we are very pleased with this situation, we are also aware that the virus is still present in the greater Lexington Community and we must continue these efforts.

Brookhaven is following the guidance of CDC, CMS and the Commonwealth of Massachusetts on slowly reopening the community. Over the summer we will make every effort to bring back additional services and venues. We will ensure that the services and venues are available to residents in a safe and sanitary way. Podiatry, Housekeeping, Maintenance services, newspaper delivery and outdoor visits are happening. This week we will reopen the Hair Salon.

Our advice on leaving the campus has still not changed, we feel strongly that it is Safer at Brookhaven. Brookhaven continues to strongly recommend that Residents consider staying on campus for now. All essential services can be brought to you on campus.

Brookhaven will continue to update Residents through internal memos as venues and services reopen. These memos will come from either Administration or the specific Department. These memos will be distributed to each resident and will be posted on the Resident Only Website. We will of course keep our Babson and Gardenview Families updated. Resident Health is more than glad to keep other family members updated.

Once again, we are still aware that the virus is present and we will not let up. We will continue to stand up our Incident Command Structure until we are through this crisis. Working together we can and will remain safe. As always feel free to reach out to me at 781-372-0290.

  
Jim
